

Charitable Donation Program

Winterplace is dedicated to providing memorable experiences that enrich and rejuvenate our community. As a proud community partner, we strive to support our neighbors through an active community relations effort. By giving back to our community, we thank those that have supported Winterplace Ski Resort for over 30 years to help ensure a bright future for those who will visit us tomorrow. Winterplace donates each year to numerous non-profit organizations whose initiatives improve the overall quality of life in our community.
