First Timer's Guide

(Please answer the following questions.)

1. Name the three people in the "What to Wear Skiing and Snowboarding."

2. When using the over-the-shoulder technique to carry skis, make sure you are not in a _____ area.

3. You should avoid carrying a snowboard behind your back in _____ base areas.

4. _____ Terrain should be used when beginning ski and snowboard lessons.

5. When putting on ski boots and snowboard boots you should?

Check all correct answers.

- Stuff your ski pants inside your boots.
- Buckle or tie the boots so tight that there is just a little bit of pain.
- Have one pair of over-the-calf socks.
- Make sure to ask for two sizes above your normal street shoe size for plenty of room.

6. List the Responsibility Code below.
